Mayo

FURNITURE & BEDDING

WHAT DOES MADE IN AMERICA MEAN TO US?

EVERYTHING.

The Mayo family is Mayo Furniture. The Mayo Family is over 200 American families strong, but it goes well beyond our walls. The raw materials we need to make furniture come from other American families. The map shows the true impact of what "buy American" truly means. A family in Phoenix buying furniture from Mayo will affect families from California to North Carolina, and most states in between. Being American is a privilege for which we fight. Being American is accepting responsibility as part of a big family. Families support each other.

Who is the Mayo family? We are Texans. We are Arkansans. We are Aggies, Longhorns, Razorbacks, Buffaloes, Bears, Red Raiders, Cowboys and Tigers. We are fathers, mothers, sons and daughters. We are sisters and brothers. We are veterans.

We are the same as you, we are American - and we are proud to make a quality product here in Texarkana, USA.

The Mayo Family

COVER INFORMATION

MAYO OVP PROGRAM - MOST OF THE COMBINATIONS SHOWN IN THIS CATALOG ARE PART OF OUR "MERCHANDISING PROGRAM" CALLED THE MAYO OBVIOUS VALUE PROGRAM (MAYO OVP). THE MAYO OVP IS PRINTED IN THE MAYO PRICE LIST. EACH PRODUCT PRESENTED IN THIS CATALOG IS INDICATED BY STYLE NUMBER AND THE FABRIC (OR LEATHER) THAT IS SHOWN IN THE PHOTOGRAPH. ALWAYS CHECK "COVER CLASS" AVAILABILITY FOR EACH STYLE. "COVER CLASS" RELATES TO THE TYPES OF FABRICS THAT CAN BE USED FOR THE "BODY" OF THE PRODUCT. IN MOST CASES, ANY FABRIC CAN BE SELECTED FOR USE AS THE TOSS PILLOW SELECTION.

FOR THE MOST UP TO DATE INFORMATION ALWAYS REFER TO THE MAYO WEBSITE - MAYOFURNITURE.COM - UNDER THE MAYO COVER GUIDE, MAYO FRINGE GUIDE, AND MAYO LEATHER GUIDE LINKS FOR CURRENT GRADES, COVER CLASS AND TO VERIFY THAT COVER IS CURRENT.

STANDARD LEATHERS (LTH) - LEATHER THAT CAN BE USED FOR THE BODY SELECTION ON STYLES AVAILABLE IN LEATHER.

SPECIALTY LEATHERS - LEATHERS THAT ARE SUITABLE FOR DECORATIVE USE AS INSERTS FOR CHAIR BACKS, SELECTED OTTOMANS, OR OTHER SPECIAL PURPOSES. BECAUSE OF THE SPECIAL CHARACTERISTICS OF THESE NOVELTY LEATHERS THEY ARE GENERALLY NOT APPROPRIATE FOR USE AS AN "ALL OVER" LEATHER. THEY ARE ONLY AVAILABLE FOR USE WHERE THEY ARE SPECIFICALLY INDICATED.

MULTI-PURPOSE (MP) - COVER CLASSIFICATION FOR FABRICS THAT MAY BE USED AS A LEATHER SUBSTITUTE ON LEATHER/FABRIC STYLES. CURRENTLY, MP FABRICS ARE ALSO CLASSIFIED AS RAILROADS (R) AND MAY BE USED AS A BODY FABRIC ON ALL STYLES.

CUSTOMER'S OWN MATERIAL (COM) - WE WELCOME C.O.M. ORDERS! SEE THE MAYO PRICE LIST FOR ADDITIONAL INFORMATION REGARDING COM ORDERS AND HOW TO ARRIVE AT COM PRICING. CONTACT MAYO CUSTOMER SERVICE IF YOU HAVE ANY QUESTIONS - CALL US AT 800.527.8604, OR FAX AT 800.303.4986. YOU MAY ALSO EMAIL CUSTOMERSERVICE@MAYOFURNITURE.COM.

DECORATIVE PILLOWS

-
- A simple line drawing of a three-seater sofa. It features a low, rectangular base with a slightly raised front edge. The sofa has three distinct seat cushions and three corresponding back cushions. Four large, square pillows are arranged on the sofa: two on the left side and two on the right side. The drawing is minimalist, using only black outlines on a white background.

2711F

A line drawing of a three-seater sofa. It features three distinct seat cushions and three backrests. The base of the sofa is tufted, with a grid of lines creating a quilted effect. The arms are rolled and curved. The drawing is a simple black outline on a white background.

NOTE: BACKS ON LEATHER ARE DETACHABLE.

LEG FINISHES

Leg finish is an option on every style with the legs visible. Variations in color of stain are possible. Each style is paired with legs and substitutions for different legs is not available.

NAIL FINISHES

The finish is an option on every style that is available with nailhead. The size and pattern designated for each style can not be altered.

AN AMERICAN FAMILY STORY

In the fall of 1965, Linn Mayo gathered his young family around the kitchen table for a very serious discussion. Linn's wife, Dean, sat across from him with their two sons on either side. His family was facing a crisis. Linn's tenure as general manager of a small bedding and furniture manufacturer had ended suddenly after the death of the owner, and he had to make a quick career decision. The answer to the question he shared with his family was sure to change their lives in many ways. Should he accept a comfortable job offer already in hand and move the family from Texarkana, or take a leap of faith and start a new business? Linn knew how to run a furniture manufacturing plant from his experience with the small independent manufacturer. In addition to that, he spent several years with Sealy licensee factories supervising both bedding and upholstered furniture production. He also had the courage to take on the challenge. A man who has survived a Pacific beach invasion of World War II knows how to conquer fear. But, what about his family – were they ready for the hard work and sacrifice the undertaking would require? In unison - "Yes!"

Within a few weeks an old warehouse building was located and converted for manufacturing space. "24,000 square feet of two floors with a post every 12 feet", Linn would jokingly boast of his little factory. Not the ideal layout for a factory, but his family made it work. A few key suppliers, confident in Linn and eager to help him get started, provided raw material inventory on a "pay for it when you can" basis. While Linn organized the business, Dean learned how to cut and sew mattress covers, as well as produce work tickets and customer invoices. The boys learned many of the factory jobs and spent many late nights loading trucks after helping complete the day's production. For each family member there was little time for any activity outside the business, but the hard work paid off steadily. In a couple of years, a modest but healthy furniture factory was humming along in East Texas.

By 1969, the business had outgrown the small factory and a new facility was built. The new facility has now been enlarged several times over the years, including an addition currently under construction. The family management team has always been eager to embrace new technology in upholstery manufacturing. Investments in automated fabric and leather cutting, wood panel processing, and foam fabrication have enabled industry-leading, order-to-shipment cycle times as well as quality engineering. These tools in the hands of a well trained workforce - lead by eager and effective management - have provided the company with staying power in an industry battered by foreign competitors and a brutal recession in recent years.

Adapting to the changing environment has been a key to success for the company, but some things remain the same. Family is the number one priority, and the values shared by Linn's family of four around the kitchen table in 1965 are still honored today. Mike, the 15 year-old "Yes!" vote at that table, and his sons - Stephen, Ben, and Patrick - now own and manage the company. It's been a wonderful, challenging journey for the Mayos. The third generation is committed to continuing the legacy while accelerating growth and raising the bar.

EASY TO CLEAN, HARD TO STAIN.

WHY REVOLUTION?

- + EXTREMELY STAIN RESISTANT
- + NO CHEMICAL TREATMENTS
- + ECO FRIENDLY & RECYCLABLE
- + DURABLE & AFFORDABLE
- + MADE IN THE USA

revolution
PERFORMANCE FABRIC

Mayo and STI join forces to bring you
great products that make your life easier.

STI IS ONE OF AMERICA'S LEADING FABRIC UPHOLSTERY MILLS. IN THE FALL OF 2014, THEY INTRODUCED A GROUNDBREAKING NEW LINE OF FABRICS MADE WITH 100% OLEFIN YARN CALLED REVOLUTION. ALL YARNS USED TO PRODUCE REVOLUTION FABRIC ARE EXTRUDED, SOLUTION-DYED POLYPROPYLENE (OLEFIN), WHICH HAS NATURAL STAIN RESISTANT PROPERTIES. SPILLS CAN BE EASILY CLEANED USING NORMAL HOUSEHOLD DISH SOAP AND WATER. UNLIKE OTHER "STAIN RESISTANT" FABRIC OPTIONS, REVOLUTION IS NOT AN "ADD-ON" THAT REQUIRES ADDITIONAL CHEMICAL SPRAYS THAT CAN WEAR OFF OVER TIME. REVOLUTION IS NATURALLY STAIN RESISTANT, CHEMICAL FREE, ANTIMICROBIAL, COMPLETELY RECYCLABLE, AND THESE EXTRA BENEFITS ARE FREE.

The Features & Benefits

BUILT BY HAND TO STRICT STANDARDS WITH QUALITY MATERIALS
TO CREATE A SUPERIOR PRODUCT THAT LASTS A LIFETIME

LAYERED
ARM TOPS

FOAM + FIBER
CUSHION SEATING

CHAMBERED
INNER BAGS

SINUOUS
SPRINGS

SMART
FRAMES

LAYERED ARM TOPS

ROUNDED ARM TOPS BUILT FROM DURABLE POLYURETHANE ARE CUT TO RETAIN PERFECT SHAPE OVER TIME, AND ARE REINFORCED FOR COMFORT THE SAME WAY THE SEAT CUSHIONS ARE - WITH ADDED FOAM AND FIBER TO ENSURE MAXIMUM LUXURY.

FOAM + FIBER CUSHIONS

CUSHIONS ARE CRAFTED WITH MULTIPLE LAYERS OF PADDING TO ENSURE THE MOST COMFORTABLE SEATING. WE START WITH HIGH-DENSITY FOAM, AND ENCLOSE WITH SOFTER FOAM AND POLYESTER FIBER FOR MULTIPLE LAYERS OF ADDITIONAL COMFORT.

CHAMBERED INNER BAGS

BACK CUSHIONS ARE FILLED WITH EXTRUDED POLYESTER FIBER THAT IS BLOWN CAREFULLY INTO A DUAL-CHAMBERED BAG TO PREVENT FIBER FROM SETTLING AND ENSURE COMFORT.

SINUOUS SPRINGS

SEATING SYSTEMS ARE SUPPORTED BY 8 GAUGE SINUOUS SPRINGS SET APART AT AN IDEAL SPACING TO ENSURE A RELAXING AND ENJOYABLE SEATING EXPERIENCE. SPRINGS ARE TIED TOGETHER TO MAINTAIN AN EQUAL AND EVEN SUPPORT THROUGHOUT THE SEAT.

SMART FRAMES

OUR FRAMES ARE ENGINEERED USING THE MORTISE-AND-TENON JOINING SYSTEM, DESIGNED TO BE REINFORCED USING HARDWOOD PLANKS AND INTERIOR STRETCHERS FOR A STURDY, LONG-LASTING FOUNDATION.
